Compiler's note: The repealed section pertained to technical assistance to districts for school accreditation purposes.

388.1694a Center for educational performance and information.

Sec. 94a. (1) There is created within the office of the state budget director in the department of management and budget the center for educational performance and information. The center shall do all of the following:

(a) Coordinate the collection of all data required by state and federal law from all entities receiving funds under this act.

(b) Collect data in the most efficient manner possible in order to reduce the administrative burden on reporting entities.

(c) Establish procedures to ensure the reasonable validity and reliability of the data and the collection process.

(d) Develop state and model local data collection policies, including, but not limited to, policies that ensure the privacy of individual student data. State privacy policies shall ensure that student social security numbers are not released to the public for any purpose.

(e) Provide data in a useful manner to allow state and local policymakers to make informed policy decisions.

(f) Provide reports to the citizens of this state to allow them to assess allocation of resources and the return on their investment in the education system of this state.

(g) Assist all entities receiving funds under this act in complying with audits performed according to generally accepted accounting procedures.

(h) Other functions as assigned by the state budget director.

(2) Each state department, officer, or agency that collects information from districts or intermediate districts as required under state or federal law shall make arrangements with the center, and with the districts or intermediate districts, to have the center collect the information and to provide it to the department, officer, or agency as necessary. To the extent that it does not cause financial hardship, the center shall arrange to collect the information in a manner that allows electronic submission of the information to the center. Each affected state department, officer, or agency shall provide the center with any details necessary for the center to collect information as provided under this subsection. This subsection does not apply to information collected by the department of treasury under the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a; the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821; the school bond qualification, approval, and loan act, 2005 PA 92, MCL 388.1921 to 388.1939; or section 1351a of the revised school code, MCL 380.1351a.

(3) The state budget director shall appoint a CEPI advisory committee, consisting of the following members:

- (a) One representative from the house fiscal agency.
- (b) One representative from the senate fiscal agency.
- (c) One representative from the office of the state budget director.
- (d) One representative from the state education agency.
- (e) One representative each from the department of labor and economic growth and the department of treasury.

(f) Three representatives from intermediate school districts.

(g) One representative from each of the following educational organizations:

(i) Michigan association of school boards.

(ii) Michigan association of school administrators.

(iii) Michigan school business officials.

(h) One representative representing private sector firms responsible for auditing school records.

(i) Other representatives as the state budget director determines are necessary.

(4) The CEPI advisory committee appointed under subsection (3) shall provide advice to the director of the center regarding the management of the center's data collection activities, including, but not limited to:

(a) Determining what data is necessary to collect and maintain in order to perform the center's functions in the most efficient manner possible.

(b) Defining the roles of all stakeholders in the data collection system.

(c) Recommending timelines for the implementation and ongoing collection of data.

(d) Establishing and maintaining data definitions, data transmission protocols, and system specifications and procedures for the efficient and accurate transmission and collection of data.

(e) Establishing and maintaining a process for ensuring the reasonable accuracy of the data.

(f) Establishing and maintaining state and model local policies related to data collection, including, but not limited to, privacy policies related to individual student data.

(g) Ensuring the data is made available to state and local policymakers and citizens of this state in the most useful format possible.

(h) Other matters as determined by the state budget director or the director of the center.

(5) The center may enter into any interlocal agreements necessary to fulfill its functions.

(6) From the general fund appropriation in section 11, there is allocated an amount not to exceed \$2,435,400.00 for 2007-2008 to the department of management and budget to support the operations of the center and the development and implementation of a comprehensive data management and student tracking system. The center shall cooperate with the state education agency to ensure that this state is in compliance with federal law and is maximizing opportunities for increased federal funding to improve education in this state. In addition, from the federal funds appropriated in section 11 for 2007-2008, there is allocated the amount necessary, estimated at \$3,543,200.00, in order to fulfill federal reporting requirements.

(7) From the allocation under subsection (6), there is allocated for 2007-2008 an amount to support the development and implementation of a comprehensive longitudinal educational data management and student tracking system. In addition, from the federal funds allocated in subsection (6), there is allocated for 2007-2008 an amount not to exceed \$1,500,000.00 funded from the competitive grants of DED-OESE, title II, educational technology funds for the purposes of this subsection. Not later than November 30, 2007, the department shall award a single grant to an eligible partnership that includes an intermediate district with at least 1 high-need local school district and the center.

(8) The center and the department shall work cooperatively to develop a cost allocation plan that pays for center expenses from the appropriate federal fund revenues.

(9) Funds allocated under this section that are not expended in the fiscal year in which they were allocated

may be carried forward to a subsequent fiscal year.

(10) The center may bill departments as necessary in order to fulfill reporting requirements of state and federal law. The center may also enter into agreements to supply custom data, analysis, and reporting to other principal executive departments, state agencies, local units of government, and other individuals and organizations. The center may receive and expend funds in addition to those authorized in subsection (6) to cover the costs associated with salaries, benefits, supplies, materials, and equipment necessary to provide such data, analysis, and reporting services.

(11) As used in this section:

(a) "DED-OESE" means the United States department of education office of elementary and secondary education.

(b) "High-need local school district" means a local educational agency as defined in the enhancing education through technology part of the no child left behind act of 2001, Public Law 107-110.

(c) "State education agency" means the department.

History: Add. 2000, Act 297, Imd. Eff. July 26, 2000;—Am. 2001, Act 121, Imd. Eff. Sept. 28, 2001;—Am. 2002, Act 191, Imd. Eff. Apr. 26, 2002;—Am. 2002, Act 521, Imd. Eff. 388.1698 Michigan virtual high school; powers and duties of Michigan virtual university; definitions.

Sec. 98. (1) From the state school aid fund money appropriated in section 11, there is allocated an amount not to exceed \$500,000.00 for 2007-2008 and from the general fund money appropriated in section 11, there is allocated an amount not to exceed \$1,750,000.00 for 2007-2008 to provide a grant to the Michigan virtual university for the development, implementation, and operation of the Michigan virtual high school; to provide professional development opportunities for educators; and to fund other purposes described in this section. In addition, from the federal funds appropriated in section 11, there is allocated for 2007-2008 an amount estimated at \$3,250,000.00.

(2) The Michigan virtual high school shall have the following goals:

(a) Significantly expand curricular offerings for high schools across this state through agreements with districts or licenses from other recognized providers. The Michigan virtual high school shall explore options for providing rigorous civics curricula online.

(b) Create statewide instructional models using interactive multimedia tools delivered by electronic means, including, but not limited to, the internet, digital broadcast, or satellite network, for distributed learning at the high school level.

(c) Provide pupils with opportunities to develop skills and competencies through on-line learning.

(d) Grant high school diplomas through a dual enrollment method with districts.

(e) Act as a broker for college level equivalent courses, as defined in section 1471 of the revised school code, MCL 380.1471, and dual enrollment courses from postsecondary education institutions.

(3) The Michigan virtual high school course offerings shall include, but are not limited to, all of the following:

(a) Information technology courses.

(b) College level equivalent courses, as defined in section 1471 of the revised school code, MCL 380.1471.

(c) Courses and dual enrollment opportunities.

(d) Programs and services for at-risk pupils.

(e) General education development test preparation courses for adjudicated youth.

(f) Special interest courses.

(g) Professional development programs and services for teachers.

(4) From the federal funds allocated in subsection (1), there is allocated for 2007-2008 an amount estimated at \$2,250,000.00 from DED-OESE, title II, improving teacher quality funds for a grant to the Michigan virtual university for the purpose of this subsection. The state education agency shall sign a memorandum of understanding with the Michigan virtual university regarding the DED-OESE, title II, improving teacher quality funds as provided under this subsection. The memorandum of understanding under this subsection shall require that the Michigan virtual university coordinate the following activities related to DED-OESE, title II, improving teacher quality funds in accordance with federal law:

(a) Develop, and assist districts in the development and use of, proven, innovative strategies to deliver intensive professional development programs that are both cost-effective and easily accessible, such as strategies that involve delivery through the use of technology, peer networks, and distance learning.

(b) Encourage and support the training of teachers and administrators to effectively integrate technology into curricula and instruction.

(c) Coordinate the activities of eligible partnerships that include higher education institutions for the purposes of providing professional development activities for teachers, paraprofessionals, and principals as defined in federal law.

(d) Offer teachers opportunities to learn new skills and strategies for developing and delivering instructional services.

(e) Provide online professional development opportunities for educators to update and expand knowledge and skills needed to support the Michigan merit curriculum core content standards and credit requirements.

(5) The Michigan virtual university shall offer at least 200 hours of online professional development for classroom teachers under this section each fiscal year beginning in 2006-2007 without charge to the teachers or to districts or intermediate districts. A district or intermediate district may require a full-time teacher to participate in at least 5 hours of online professional development provided by the Michigan virtual university under subsection (4). Five hours of this professional development shall be considered to be part of the 38 hours allowed to be counted as hours of pupil instruction under section 101(10).

(6) From the federal funds appropriated in subsection (1), there is allocated for 2007-2008 an amount estimated at \$1,000,000.00 from the DED-OESE, title II, educational technology grant funds to support e-learning and virtual school initiatives consistent with the goals contained in the United States national educational technology plan issued in January 2005. Not later than November 30, 2007, from the funds allocated in this subsection, the department shall award a single grant of \$1,000,000.00 to a consortium or partnership established by the Michigan virtual university that meets the requirements of this subsection. To

be eligible for this funding, a consortium or partnership established by the Michigan virtual university shall include at least 1 intermediate district and at least 1 high-need local district. All of the following apply to this funding:

(a) An eligible consortium or partnership must demonstrate the following:

(i) Prior success in delivering online courses and instructional services to K-12 pupils throughout this state.

(ii) Expertise in designing, developing, and evaluating online K-12 course content.

(iii) Experience in maintaining a statewide help desk service for pupils, online teachers, and other school personnel.

(iv) Knowledge and experience in providing technical assistance and support to K-12 schools in the area of online education.

(v) Experience in training and supporting K-12 educators in this state to teach online courses.

(vi) Demonstrated technical expertise and capacity in managing complex technology systems.

(vii) Experience promoting twenty-first century learning skills through the use of online technologies.

(b) The Michigan virtual university, which operates the Michigan virtual high school, shall perform the following tasks related to this funding:

(i) Examine the curricular and specific course content needs of middle and high school students in the areas of mathematics and science.

(ii) Design, develop, and acquire online courses and related supplemental resources aligned to state standards to create a comprehensive and rigorous statewide catalog of online courses and instructional services.

(iii) Conduct a demonstration pilot to promote new and innovative online courses and instructional services.

(iv) Evaluate existing online teaching and learning practices and develop continuous improvement strategies to enhance student achievement.

(v) Develop, support, and maintain the technology infrastructure and related software required to deliver online courses and instructional services to students statewide.

(7) From the state school aid fund allocation in subsection (1), an amount not to exceed \$500,000.00 for 2007-2008 shall be awarded as a single grant to an intermediate district working in partnership with the Michigan virtual high school for a statewide license for "my dream explorer", a career exploration and planning tool, to be made available to all pupils at no cost.

(8) If a home-schooled or nonpublic school student is a resident of a district that subscribes to services provided by the Michigan virtual high school, the student may use the services provided by the Michigan virtual high school to the district without charge to the student beyond what is charged to a district pupil using the same services.

(9) As used in this section:

(a) "DED-OESE" means the United States department of education office of elementary and secondary education.

(b) "High-need local district" means a local educational agency as defined in the enhancing education through technology part of the no child left behind act of 2001, Public Law 107-110.

(c) "State education agency" means the department.

History: Add. 2000, Act 297, Imd. Eff. July 26, 2000;—Am. 2001, Act 121, Imd. Eff. Sept. 28, 2001;—Am. 2002, Act 191, Imd. Eff. Apr. 26, 2002;—Am. 2002, Act 521, Imd. Eff. 388.1699 Mathematics and science centers.

Sec. 99. (1) From the state school aid fund money appropriated in section 11, there is allocated an amount not to exceed \$3,390,000.00 for 2007-2008 and from the general fund appropriation in section 11, there is allocated an amount not to exceed \$110,000.00 for 2007-2008 for implementing the comprehensive master plan for mathematics and science centers developed by the department and approved by the state board, and for other purposes as described in this section. In addition, from the federal funds appropriated in section 11, there is allocated for 2007-2008 an amount estimated at \$4,456,000.00 from DED-OESE, title II, mathematics and science partnership grants.

(2) Within a service area designated locally, approved by the department, and consistent with the master plan described in subsection (1), an established mathematics and science center shall address 2 or more of the following 6 basic services, as described in the master plan, to constituent districts and communities: leadership, pupil services, curriculum support, community involvement, professional development, and resource clearinghouse services.

(3) The department shall not award a state grant under this section to more than 1 mathematics and science center located in a designated region as prescribed in the 2007 master plan unless each of the grants serves a distinct target population or provides a service that does not duplicate another program in the designated region.

(4) As part of the technical assistance process, the department shall provide minimum standard guidelines that may be used by the mathematics and science center for providing fair access for qualified pupils and professional staff as prescribed in this section.

(5) Allocations under this section to support the activities and programs of mathematics and science centers shall be continuing support grants to all 33 established mathematics and science centers. Each established mathematics and science center that was funded in 2006-2007 shall receive state funding in an amount equal to 100% of the amount it was allocated under this subsection for 2006-2007. If a center declines state funding or a center closes, the remaining money available under this section shall be distributed on a pro rata basis to the remaining centers, as determined by the department.

(6) From the funds allocated in subsection (1), there is allocated for 2007-2008 an amount not to exceed \$1,000,000.00 in a form and manner determined by the department to those centers able to provide curriculum and professional development support to assist districts in implementing the Michigan merit curriculum components for mathematics and science. Funding under this subsection is in addition to funding allocated under subsection (5).

(7) In order to receive state funds under this section, a grant recipient shall allow access for the department or the department's designee to audit all records related to the program for which it receives such funds. The grant recipient shall reimburse the state for all disallowances found in the audit.

(8) Not later than September 30, 2008, the department shall reevaluate and update the comprehensive master plan described in subsection (1).

(9) The department shall give preference in awarding the federal grants allocated in subsection (1) to eligible existing mathematics and science centers.

(10) In order to receive state funds under this section, a grant recipient shall provide at least a 10% local match from local public or private resources for the funds received under this section.

(11) As used in this section:

(a) "DED" means the United States department of education.
